

The Startup Essentials

A Blueprint for Opening Your Daycare

1. The Vision

Define your 'Why'. Are you building a small home daycare or a large center? What is your educational philosophy (Montessori, Reggio, Play-based)?

2. The Market

Conduct a feasibility study. accessible location, demographics (parents' income, age), and competition analysis are crucial.

3. The Budget

Calculate startup costs (renovations, licensing, equipment) and operating costs (rent, staff, insurance). Ensure you have 6 months of capital.
